

Helpless, Not Hopeless

V1

I'm not a stranger to trials and troubles
I've had my share of heartaches along the way
But, I've felt the unseen hand of Christ my Savior
What peace I found in trusting Him by faith

Ch

When I feel helpless, still I'm not hopeless
When I am lonely, I'm never alone
When I am broken, I don't fall to pieces,
For when I'm the weakest, in Him I am strong

V2

Though sometimes discouraged, don't think I'm defeated
Though weary and worn, my confidence remains,
For He hears my cry, and mercy without measure
Is poured out when I call upon His name

Ch

When I feel helpless, still I'm not hopeless
When I am lonely, I'm never alone
When I am broken, I don't fall to pieces,
For when I'm the weakest, in Him I am strong
