

I Heard It, I Believe It

V1

When I was a child I heard about a Man who died on Calvary
They said His name was Jesus and He hung on the cross
To set bound spirits free
But as I got older and strayed away the message still rang in my mind
That if I got on my knees and cried out to the Lord
Eternal life I would find

Ch

I heard it, I believe it
I'm saved by the blood of the Lamb
My sins are forgiven
My life is worth livin'
I'm ready to go I know I am
When Jesus returns and we're called away
I'll stand on judgment day and say
I heard it, I believe it, I'm saved

V2

If the trials of this life and the burdens you carry seem too hard to bear
Let me tell you that the answer to the trouble you face has always been right there
Just give it to Jesus He'll give you peace this world could never take away
If you'll confess your sin and obey His word then, my friend, you can say

Ch

I heard it, I believe it
I'm saved by the blood of the Lamb
My sins are forgiven
My life is worth livin'
I'm ready to go I know I am
When Jesus returns and we're called away
I'll stand on judgment day and say
I heard it, I believe it, I'm saved

Ch

Well, I heard it, I believe it
I'm saved by the blood of the Lamb
My sins are forgiven
My life is worth livin'
I'm ready to go I know I am
When Jesus returns and we're called away

I'll stand on judgment day and say
I heard it, I believe it, I'm saved
